2020 Refuse Collection Service Specifications

RESIDENTIAL REFUSE COLLECTION DISTRICT

PLEASE, Read the entire flyer to understand the policies and procedures.

REGULAR REFUSE COLLECTION

Regular refuse & recyclables must be available for collection by 6:00 a.m. Garbage must be placed in plastic bags, tied and then put in receptacles with secure lids.

Curbside collection **MUST** be within 4 feet of the road. Special Services collection will be made only when the driveway is free of all snow, vehicles and other obstacles. If your driveway is inaccessible due to any of the above conditions, we suggest that you put materials for that collection day at the curb. The Carter will not be responsible for refuse that is spilled out prior to the collection pickup and will not pickup construction/industrial debris or hazardous materials.

Garbage receptacles shall not be placed at the curb any earlier than 5:00 p.m. on the day prior to pick up and must be removed no later than 12 hours after collection.

Residents on common driveways must put garbage receptacles at the end of their respective driveway. Receptacles shall be kept in good repair.

COLLECTION WILL BE LIMITED TO **FOUR (4) THIRTY-TWO (32) GALLON CONTAINERS PER PICKUP WITH TWO PICKUPS PER WEEK.**

The carter will not be obligated to pickup amounts in excess of this designated amount per collection.

**If you are a landlord,
please provide your
tenants with a copy
of this schedule.**

RECYCLING IS MANDATORY

CURBSIDE BULK PICKUP

Each property within the Refuse District is entitled to Curbside Bulk Pickup throughout the year.

COLLECTION is Every Week - On your second scheduled garbage collection day.

Starting NEW last year, each week (excluding Special Service weeks) you will be allowed to place bulk items curbside on your regular, second scheduled refuse collection day. This means your regular scheduled Thursday or Friday garbage collection day. You can place 1-2 bulk items out each week, that does not have a Special Service scheduled.

Special Service weeks include the Christmas Tree collection days and the Leaf Collection Program. Special Service weeks are identified on the calendar included in this brochure.

Bulk items are not to be placed curbside before Wednesday of any week.

The following regulations apply to curbside bulk pickup:

- Rugs must be cut, rolled and tied so that no roll is longer than 4 feet.
- **Please note cardboard, newspapers, magazines are recyclable items, not bulk items.**
- Tires can be disposed of through local auto repair shops at a nominal charge.
- Mattresses must be placed in Mattress Bags for safety and health reasons. You can find them at "Home Remodeling" stores.
- Curbside Bulk Pickup is for residents' household items only.
- All items must be at the curb the night before the scheduled pickup and **no earlier** than the Wednesday before your second scheduled garbage collection. Any items not taken by the Carter must be removed by the homeowner no later than the following day. Failure to do so will subject you to a fine.
- **Each pickup is limited to one (1) large appliance/furniture item or two (2) medium items.** Any bulk pickups in excess of this amount will not be picked up and will be left at your curb.
- Refrigerators, freezers, air conditioners or any other appliance containing Freon must be de-charged and tagged by a State authorized specialist. Consult the yellow pages for a professional under "Refrigerator and Freezers – Dealers and Service". The carting company will not receive these items without such certification. The resident, before disposal, must remove doors on any appliance that presents a hazard for children.

Construction, renovation or remodeling debris of any kind, including kitchens, baths, decks, siding and windows, **will not be picked up.**

Residents must properly dispose of these items by authorized contractors or take it to a certified refuse transfer station. You can contact Suburban Carting to inquire to their services outside the Town of Southeast's Refuse Program. The charge would be between you and the Carter.

The restricted items are from the Department of Environmental Protection Agency regulations.

• The following items are **NOT** included for curbside bulk pickup:

Septic System Inspections

Attention Residents,

As part of our responsibility as a regulated Municipal Separate Storm Sewer System (MS4), the Town is required to enforce a program that ensures that on-site sanitary systems (septics) designed for less than 1,000 gallons per day are inspected at a minimum frequency of once every five years and where necessary, maintained or rehabilitated.

It is the responsibility of property owners to arrange to have their septic inspected and pumped by **May 1, 2016** and at a minimum interval of every five years thereafter from the date of inspection/pumping.

A full copy of Local Law #5 of 2011 is available for review at the Town Clerk's office, the Building Department, or on the Town Web site.

HIGHWAY DEPARTMENT

Parking is restricted on Town roadways (Check the Town Website for specific time of restriction) from November 15th to April 1st.

Don't Dump on Roadways

Depositing Debris, GRASS CLIPPINGS, LEAVES and SNOW onto Town roadways is prohibited as per Town Code. Highways, Article #8.214

DO NOT PLACE THESE ITEMS INTO THE ROADWAY or CATCH BASINS at any time.

Mailboxes

Be sure your mailbox and mailbox post are properly placed (face of mailbox should be 6"-12" behind curb or edge of roadway) and sturdy enough to withstand the weight of snow and ice cast from our Town Snowplows!

Message from Highway Superintendent:

Remember: Mailboxes are placed in the Town "Right of Ways" and the Town is not responsible for damage to mailboxes while removing snow.

Town Clerk's Office

Burn Permit, Vendor Permit, Handicap Permit, Marriage License, and other vital records can be obtained through the Town Clerk's Office.

Visit the Town Clerk's Web page to obtain details.

DOGS

All resident dogs MUST be licensed.

There is an ordinance that requires all dogs to be on a leash when they are off the property of the owner.

All persons walking a dog shall be responsible to clean up, on an immediate basis, any fecal matter, defilement or other nuisance waste from the dog.

Recreation

Basketball
Soccer
Aerobics

10 Ways Homeowners Can Improve the Quality of Stormwater Runoff

- 1 Cover piles of soil, sand or mulch to stop them from erosion and being transported out in storm water.
- 2 Sweep your sidewalks and driveways rather than hosing them down.
- 3 Put your leaves and grass clippings in the compost, on the garden as mulch or mow back into the lawn to recycle the nutrients.
- 4 Divert roof water to lawns or gardens where it can safely soak into the ground.
- 5 Keep pesticide, oils, leaves, and other pollutants off streets and out of storm drains.
- 6 Keep cars tuned up and repair leaks - better yet, walk, bike, car pool or utilize public transportation.
- 7 Wash your vehicles on grass or over gravel. Use as little detergent as you can and pour any left over soapy water onto the lawn.
- 8 Dispose of household hazardous waste according to the label directions. Reuse turpentine once the paint has settled in the container.
- 9 Clean up pet waste - bury or flush it down the toilet.
- 10 Never fertilize when it is about to rain. Sweep, do not hose, excess fertilizer from walkways, patios and driveways onto the lawn.
